# BACHELOR OF SCIENCE IN FORESTRY

## GROW YOUR FUTURE IN FORESTRY

With a focus on contemporary forest management, our BS in Forestry program will prepare you to address the complex challenges of forest resource stewardship. Join us to gain insight into forest ecosystems, build lasting relationships, and contribute to environmental sustainability.

### PROGRAM HIGHLIGHTS

- NAU's School of Forestry stands out as a top-tier institution for natural resource education and forestry studies, consistently ranking among the nation's best forestry schools.
- Our internationally renowned faculty provide personalized mentorship and facilitate valuable networking opportunities.
- Explore nearly 50,000 acres in our Centennial Forest or engage in field research in diverse ecosystems.

NAU School of Forestry's BS in Forestry degree is accredited by the Society of American Foresters, ensuring that the program meets rigorous quality standards established by the profession.

### CAREER OPPORTUNITIES INCLUDE:

- Wildlife ecologist
- Silviculturist
- Fire ecologist
- Recreation planner
- Forest health specialist

# MASTER OF FORESTRY

## ACCELERATED PROGRAM

EARN YOUR BACHELOR'S AND MASTER'S DEGREES  
IN AS LITTLE AS FIVE YEARS.

NAU's accelerated programs allow qualified students to start a master's degree while simultaneously completing their bachelor's. If you are earning the **Bachelor of Science in Forestry (BSF)** degree, you may be eligible to follow an accelerated pathway to earn the **Master of Forestry (MF)**.

### PROGRAM INFORMATION

- Non-thesis degree
- Applicants must hold a 3.25 cumulative GPA and 3.5 major GPA
- For more information, please contact [ForestryGraduateCoordinator@nau.edu](mailto:ForestryGraduateCoordinator@nau.edu)

What better place to get advanced forestry training than in the world's largest contiguous ponderosa pine forest? Enjoy learning along the Mogollon Rim, 30 miles from the red rocks of Sedona and 80 miles from Grand Canyon National Park.

### CAREER PATHWAYS AND EXPERIENCE

This degree prepares you for a professional career in the management and policy development of forest resources across public, private, and non-profit sectors. Throughout your degree, you will train and collaborate with esteemed national and international forest researchers and scholars, enriching your experience and preparing you for a successful career in forestry.

### CAREER OPPORTUNITIES INCLUDE:

- Wildlife ecologist
- Silviculturist
- Fire ecologist
- Recreation planner
- Forest health specialist
