# MASTER OF FORESTRY

## YOUR PATH TO A MEANINGFUL CAREER IN FORESTRY AND NATURAL RESOURCES!

The Master of Forestry (MF) is a **non-thesis program** perfect for those aiming for a professional career in forestry or related fields. Specializing in forest management, this degree prepares you for careers across public, private, and non-profit sectors. Join us and make a lasting impact on our natural environment!

### PROGRAM HIGHLIGHTS

- Leverage established career pathways with state, Tribal, and federal agencies and organizations.
- Flexible study plan covering topics as diverse as hydrology, silviculture, international forestry, entomology, and dendroecology.
- Receive expert instruction from our renowned faculty, celebrated for their significant academic achievements and contributions to natural resource management.

### ACCELERATED BACHELOR'S TO MASTER'S PROGRAM

This degree is available through the Accelerated Bachelor's to Master's program. Qualified students start their master's degree while finishing their bachelor's degree—saving time and money.

### CAREER OPPORTUNITIES INCLUDE:

- Forest manager
- Policy analyst
- Silviculturist
- Wildlife ecologist
